1. Approved minutes from March 11, 2015 meeting
2. By-Laws II.A.4 (note that the current By-Laws list this as II.A.5) *Admissions—Advanced Standing for Superior High School Students*

Discussion: A draft of changes to the new subsection 4. Under Admissions in the Senate Bylaws was discussed by the committee. This section had been drafted by Jill Livingston, Lauren DiGrazia and Jill Thorne.

Jill Thorne stressed the importance of the current program to be articulated in the bylaws. She stressed that inclusion of all UConn work, including ECE be included on the transcript.

There was a general sense that there was too much detailed information in this, not appropriate for a bylaw. Larry Gramling agreed to circulate that portion of the bylaws to the committee for review and editing.

3. Consent agenda change for cross-references was passed unanimously.
4. By-Laws Section II.G.1 and 2, Eligibility for Participation in Collegiate Activities was passed unanimously

Held over until April 8 meeting:

5. By-Laws Section II.B.10 Adding or Dropping Courses
6. By-laws 11.E.9 Changes of Course Grades

Respectfully submitted,

Lawrence Gramling, facilitator
