

Senate Enrollment Committee Meeting, Friday, 11/10/2017, Oak Hall 236, 9-10:30am

Present:

Sebastian Wogenstein, Chair, Literature, Culture & Languages

Diana Rios, Communication

Pam Diggle, Ecology & Evolutionary Biology

Nathan Fuerst, Admissions Office

Brian Rockwood, Registrar's Office

Susana Ulloa, ISS Academic Program Center

1) October meeting minutes approved

2) Update classroom space at Storrs campus by Brian Rockwood, Assistant Registrar

- Explanation of the scheduling process, software, and challenges
- There is enough classroom space to accommodate our current class load, but we do not have enough classroom space to accommodate the departmental demands for seating capacity, location, and day/time.
- Decreasing compliance with the standard meeting pattern over the past few years. This has led to significant challenges when assigning classroom space.
- High demand for Tuesdays and Thursdays, and high demand for class times between 9:00am and 4:30pm.

For details, see addendum.

3) Presentation by Hartford Campus Director and Assistant Director

- Postponed due to campus director's changed travel arrangement

4) Plans for spring meetings:

- Meet with regional directors: Hartford and Waterbury
- Summer transition program: recruitment, occupying the univ over the summer
- GEOC and Senate CC&C how to coordinate and streamline information for students
- Data: degree completion, STEM enrollment and related demographics
