Mission (from Senate Bylaws)

This committee shall propose legislation within the jurisdiction of the Senate and make recommendations on all matters relating to the recruitment, admission, enrollment, and retention of an outstanding and diverse student population.

2. Visit from William Pizzuto, Campus Director, Waterbury, and colleagues. Outline of enrollment challenges and aspirations for Waterbury Campus
3. Update on and discussion of admissions status amid Covid-19 crisis
4. New business
5. If time (but more likely deferred!), discussion of University of California Academic Senate recommendation on testing and/or topics raised but not explored at prior meetings: “sidedoor” admissions scandals at other universities and UConn’s potential vulnerability to those; changing national/regional demographics and their potential effect on enrollment; intersections of diversity and admissions.
