

Senate Enrollment Committee Minutes
Friday, January 31, 2020
1-2pm
UConn Hartford Campus

Attending: Borden, Deans, Gobants, Granger, Green, Ndiaye, Reynolds

1. Approved minutes for December 6, 2019 meeting
2. Reviewed December 6 committee meeting at Hartford for those who couldn't attend, and likewise for the December 9 Enrollment Management Workshop
3. Fall enrollment update: Granger reported on things going well, although applications were down about 2%, mainly due to fewer applications from China. Aiming to maintain a 65%CT/35% out-of-state balance. Releasing decisions March 1 electronically. UConn plans to abide by past code of ethics despite legal ruling opening the door to other practices. We plan on more engagement with admitted students over the summer.
4. Discussed whether to continue bringing in regional campus directors to report, and members were unanimous in wanting to do that. Deans agreed to contact the Avery Point and Waterbury Directors. (Annmarie Seifert accepted an invitation for March 6; no response yet from Bill Pizzuto, but Deans will try again)
5. Brief discussion of prioritizing topics for future meetings.
