Absent -Grenier, R, Tripp, E, Armstrong, M, Long, T

- We briefly discuss the undergraduate grading scale, which will be presented at the 11/4/19 senate meeting.
- We discussed the IB proposal and its rapid expansion and adoption by other peer and aspirant institutions. We agreed as long as the standards are maintained, and the IB program is peer reviewed, then it could be acceptable to UConn.
- New business – we discussed the policy reviewing dismissal of 1st semester freshman and agreed to raise the issue at our 11/4/19 meeting. We will also look into the end of semester bylaws and discuss in future meeting the remaining experiential renumbering, no finals in the last week of the semester and the academic integrity policy.
- We adjourned at 3:25 p.m.
