Student Success at Every Step

Early College Programs hosted 531 Pre-College Summer (PCS) (ECE) program had 15,047 CT high school students attempt 85,495 credits across 186 partner schools with support of 1,984 certified ECE instructors.

Summer and Winter Programs offered 839 sections to 11,113 students in 2023.

The faculty development team working on several new initiatives i.e. Course (Re)design and Student Success, a Course Design Institute, and the Schwarzman College partnership. Equity Action Workshops and HHMI engagement. Science 1 Faculty and student success.

eCampus: supported the development of 61 new online courses, 45 Graduate and 20 undergraduate. Supported an 18.5% increase in Pop-Up enrollments 6,823 over prior academic year while developing 2 new Pop-Up courses.

Writing Center: interactive one-on-one tutorials 6 days a week, across all 5 campuses, in multiple modalities. More than 3500 one-on-one sessions with students.

Q Center: 10,331 visits, successful online pilot for regionals, all four disciplines now offered in on-line peer-to-peer tutoring model for regional campus students.

The Academic Program Development team remains committed to providing assistance for over 50 online graduate degree and certificate programs. These programs encompass a wide range of disciplines, including Nursing, Business, CAHN, NEAG, and CLAS, many of which are top-ranked. New MS Data Science degree program launched.

The CETL-Educational Technologies Office leads support and guidance for all ~12,500 UConn and UCHC faculty, post-docs, staff, and TAs/GAs on the use of technology.

OAFA will have worked with 94 undergraduate and graduate majors to define learning objectives, create a curricular map and assessment plan.
Honors and Enrichment Programs

Key Accomplishments
- PPA applicant coaching model implemented for med/dent
- IISP helped to launch the Data Science major

New Initiatives
- Program Review completed for the Honors Program, Spring 2023

Partnerships
- UConn Hartford Honors and Enrichment expansion – 1st year Honors students admitted to Hartford beginning Fall 2024

DEI
- Honors Program DEIJ Task Force and student DEI Specialists

Individual Student Accomplishments
- UConn's first Schwarzman Scholar, Nidhi Nair '23 (CLAS), and first Beinecke Scholar, Katherine Jimenez '24 (CLAS), selected.

Honors 1st year incoming class
Fall 2023 (Storrs and Stamford):
- 544 students
- 67% historically minoritized students
- 33% first-generation students

Frontiers poster exhibition events now include fall and spring exhibitions at Storrs, a spring exhibition at Stamford, and virtual engagement opportunities.

Disbursed over $640,000 in support of undergraduate research across 233 awards in 10 funding programs.

**STUDENT ENGAGEMENT**
- 6,488 one-on-one coaching sessions
- 1,735 regional campus one-on-one sessions
- 439 career-related presentations
- 20,000+ students active in Handshake
- 750,000+ website page views
- 8,000+ followers on social media

**POST-GRADUATION OUTCOMES**
- 90% positive outcome rate
- 70% who utilized career services found employment related to their career goals vs. 58% who did not utilize services
- 64% that had an Internship agreed or strongly agreed it was related to their current career

**82% vs. 54%**
UConn students utilizing services provided by the Career Center is **28 percentage points higher** than the national average.
Office of Veteran and Military Programs

Key Accomplishments
• Improved student employment processes and numbers; Continued to extend online and virtual offerings along with in person support; VA Consolidation and Reapproval Project (ongoing); 4170 certifications/actions processed over AY 2022-2023 by only 3 SCOs

New Initiatives
• SYE for Veterans and VHP Internship Course set to begin in Spring 2024; USCGA Partnership with Avery Point Campus; Husky Run and Ruck; increase internal and external outreach, Rebranding as Veterans and Military Programs (no "Affairs" to avoid confusion - we are not the VA)

Partnerships
• State and Federal VA in CT, CTNG, the US Army War College, SUBASE Groton, USCGA, Multiple Businesses/Major Employers ; AROTC and UConn Kinesiology; AROTC and Norwegian Embassy

DEI
• AFROTC and AROTC have more Cadets who identify as female and/or non-white than the Army or Air Force; Developing new programming for female veterans and for students with families

Future Initiatives
• Revive social media presence – Facebook and Instagram; Visits to peer programs in the Northeast to share best practices; Strategic planning on ways to increase engagement and a sense of belonging (25% complete), Partnering with ECE to bring MISI/AIRF to High School students

Over 850 military affiliated students throughout all campuses, many of whom deployed overseas in the last 18 months or transitioned off of Active Duty.

AFROTC Commissioned 12 Officers
AROTC Commissioned 35 Officers

UConn AROTC Selected as focus for National Marketing campaign in conjunction with Paige Bueckers
Student-Athlete Success Program

Accomplishments:
• Increased student success numbers
• Presented foundational academic workshops for incoming students during initial summer enrollment
• Providing in person and virtual tutoring appointments for students

New Initiatives:
• SASP completed first peer review of services
• Offered “Demystifying the Student-Athlete” workshops to our academic advising colleagues

Partnerships:
• SASP, CSD, Psychology Services and Mental Health work together to create a holistic care team to enhance learning support services for students who work with these multiple resources

DEI:
• SASP continues to partner with the Division of Athletics and the Student-Athlete Advisory Committee to provide inclusive educational opportunities surrounding DEI conversations

Future Initiatives:
• Work with campus colleagues on incoming transfer students
• Provide education to coaches and prospective student-athletes on new majors and opportunities both at the undergraduate and graduate level

In the spring of 2023, 67.4% of UConn student-athletes earned a 3.0 or higher GPA, while 52 Huskies achieved a perfect 4.0.

UConn student-athletes also achieved a program high in the Graduation Success Rate (GSR) of 94 percent.

Due to NCAA changes in legislation, we have 46 students pursuing graduate degrees.
Key Accomplishments
• Delivered academic onboarding, education, and course registration/planning to more than 5,800 students through New Student Orientation in Summer 2023
• Created innovative, inclusive, and effective advising delivery mechanisms to meet our students’ growing needs throughout the academic year

New Initiatives
• Engaged in NACADA’s Outcomes of Advising Surveys for both faculty/staff advisors and undergraduates (Spring 2023)

Partnerships
• In collaboration with BPIR, launched targeted outreach for all unregistered first-year students prior to both Spring 2023 (941 students) and Fall 2023 (861 students)

DEI
• Building and growing culturally competent and holistic advisor training
• Completing a full review of University’s Scholastic Standing process (Spring and Fall 2023)

Future Priorities
• Defining academic advising’s mission across UConn, as well as consistent roles and expectations for both faculty and staff advisors
• Addressing growth in professional staff advisor caseloads
• Developing a robust training curriculum for all advisors

By the Numbers
990 undergraduate advisors (as of August 2023)
-769 faculty advisors
-107 professional staff advisors
-114 other (emeritus, special payroll, etc.)

2023-24 Advising Professional Development Series encompasses faculty orientation and training, advising research, conversations with UConn leadership, case studies, Coffee and Conversations, culturally competent advising, and campus partner presentations

Honoring Impactful Advising
JP Lappen (Avery Point/ENGR), Krista Rogers (Pre-Professional), Rawan Shilleh (Stamford/CAPS), and Steve Zinn (CAHNR faculty) received awards for Outstanding Undergraduate Advising in Spring 2023
